

Activating Association Codes on Springer Link

<http://link.springer.com>

The screenshot displays the Springer Link homepage. At the top, there's a navigation bar with the Springer Link logo, a search bar, and links for 'Sign up / Log in', 'English', and 'Academic edition'. Below the navigation bar, a 'Browse by discipline' sidebar lists various fields of study. The main content area features a promotional banner for scientific documents, a 'Live Reference' section, a 'New books and journals' announcement, and sections for 'Featured Journals' and 'Featured Books'.

Introduction

Welcome. If you are reading this then you have likely received an association code from your society, organisation or institution and are wondering how to use it.

If you are new to Springer Link, then please start at the beginning with registering a new account. If you already have a Springer Link account that you are using, then please jump ahead to slide 9: for instructions to activate Your Association Code.

Contents:

- [Registering a New Account](#) Slide 3.
- [Resetting Your Password \(for a previously registered account\)](#) Slide 6.
- [Activating Your Association Code](#) Slide 9.
- [Accessing Journal Content](#) Slide 11.

If you need help at any time please contact us at onlineservice@springer.com

Registering a New Account

- Please go to <http://link.springer.com/>
- To register a new account on Springer Link please click on “Sign up / Log in”
- You will find this on the top-right-hand side of any Springer Link page.
- This is also where you go whenever you want to log in.

Registering a New Account

Please fill in all fields as required

- First Name
- Last Name
- Email Address
- Password
- Password Confirmation

Please be informed that you will need to accept our terms of use.

-> to read our terms of use click on “**terms of use**” to be automatically re-directed to the following link

<http://link.springer.com/termsofuse>

Create your account to access your content from anywhere

Creating an account is easy, and helps us give you a more personalised experience.

All fields are required

The screenshot shows a registration form with the following fields and status:

- First Name:** Input field contains "First Name", followed by a green checkmark.
- Last Name:** Input field contains "Last Name", followed by a green checkmark.
- Email Address:** Input field contains "name.name@testemail.com", followed by a green checkmark. Below the field, it says "Your email address will be kept *private*".
- Password:** Input field is masked with dots, followed by a green checkmark. Below the field, it says "Minimum 6 characters including at least 1 letter and 1 number".
- Password Confirmation:** Input field is masked with dots, followed by a green checkmark.

At the bottom of the form, there is a text line: "By creating an account you agree to accept our [terms of use](#)".

The bottom of the form contains two buttons: "Create account" (in a blue box) and "Cancel" (in a grey box).

Registering a New Account

Please note:

- Your username for Springer Link will always be your email-address.
- Your password needs to meet the following requirements: Minimum 6 characters including at least 1 letter and 1 number.

When you have finished entering all your details please click on

Your account has now been successfully created. Please click “Continue.”

After registration is complete, you may proceed to activate your Association Code.

Resetting Your Password

If you have previously registered an account with Springer link and have forgotten, or do not know, your password this can easily be reset.

An email address can only be registered once; so if you discover when signing up that your email has already been registered, as in the example below, then you can also use the following instructions to recover your account and set a new password.

Email Address

onlineservice@springer.com

Your email address will be kept *private*

An account already exists for this email, please enter a different email address

Resetting Your Password

- If you have not done so already please click the “Sign up/Log in” link (found in the top-right-hand-side of any Springer Link page).
- Now click on “*Forgotten password*” in the blue log in box.

The screenshot shows the Springer Link website interface. At the top right, the 'Sign up / Log in' link is highlighted with a blue arrow. Below the main navigation bar, there is a search bar and a settings gear icon. The main content area features a 'Create your account to access your content from anywhere' section with a registration form. To the right, a blue login box contains fields for 'Email' and 'Password', a 'Log in' button, and a 'Forgotten password' link. A blue arrow points to the 'Forgotten password' link. At the bottom of the login box, there is a link to 'Log in via Shibboleth or Athens'.

Resetting Your Password

- Please enter your email address, then click on Submit.
- You will receive an email from onlineservice@springer.com including a link.
- Please click on the included link; then you will be directed to a secure page where you can enter your new password.
- Enter a new password. (Make sure your password contains 6 characters, alpha-numeric and at least one numeric.)
- You can now log in using your email address and newly created password.

Reset my password

Please enter the email address you used when registering for the site and we will send you an email which contains instructions for resetting your password.

✓ **Email has been sent.**

When you receive your login information, follow the directions in the email to reset your password.

Activating Your Association Code

Once you have a Springer Link account you can activate your Association Code:

- Log in to your Springer Link account. (use the blue log in box).
- You will now see your name displayed on the top-right-hand side of the screen. Click the arrow next to your name.
- Click on “Account details/profile”.

The screenshot displays the Springer Link website interface. At the top, the Springer Link logo is on the left, and a search bar with a magnifying glass icon is in the center. To the right of the search bar is a gear icon for settings. Further right, the user's name 'First Name Last Name' is displayed with a dropdown arrow. A blue arrow points to this dropdown menu, which is open and shows the following options: 'Account details/profile', '» Institutional / Athens login', and '» Logout'. To the right of the name are two more dropdown menus: 'English' and 'Academic edition'. Below the top navigation bar is a secondary bar with 'Home' and 'Contact Us' links. The main content area is titled 'Account Details' and contains a form with two rows: 'First Name' and 'Last Name', each with an 'Edit' link to its right.

Activating Your Association Code

Entering your Association Code:

- We recommend **copying and pasting** your code in order to avoid any typing errors.
- Now click “Associate”.
- You should see a message informing you or your new access details.
- You are now an associated member of your society, institution or conference.

Important: it is now necessary to log out and then log back in for access to be updated.

TEST

ISSN: 1133-0686 (Print) 1663-8260 (Online)

Description

TEST is an international journal of statistics and probability, sponsored by the Spanish Society of Statistics and Operations Research. Its scope includes both established and emerging areas, and English is the journal's official language. TEST focuses on papers that offer original theoretical contributions and that have demonstrated or potential value for applications. Methodological content is crucial for publication in the ... Accessing Journal Content

Now you will see the whole content of the journal and you can make your own selection.

The screenshot shows the Springer Link interface for the journal 'TEST'. At the top, there is a blue navigation bar with a magnifying glass icon and the text 'Up to Journal'. To the right of the bar is a search box labeled 'Search within this journal'. Below the navigation bar, the journal title 'TEST' is displayed in a large, bold font. Underneath the title, it says 'Volume 1 / 1992 - Volume 22 / 2013'. A note below that states: '• Prior to 1992, this journal was published as Trabajos de Estadística.' To the right of the journal title, there is a thumbnail image of the journal cover, which features the title 'TEST' in large letters and a 'Look Inside' button. Below the journal title, there are several expandable sections. The first section is 'Online First Articles', which is currently collapsed and shows 'Articles not assigned to an issue'. The second section is 'Volume 22 - 2 Issues (March 2013 - June 2013)', which is expanded and shows 'Issue 2 - June 2013' and 'Issue 1 - March 2013'. Below this, there is a list of other volumes, each with a right-pointing arrow and the number of issues: 'Volume 21 - 4 Issues (March 2012 - December 2012)', 'Volume 20 - 3 Issues (May 2011 - November 2011)', 'Volume 19 - 3 Issues (May 2010 - November 2010)', 'Volume 18 - 3 Issues (May 2009 - November 2009)', 'Volume 17 - 3 Issues (May 2008 - November 2008)', 'Volume 16 - 3 Issues (May 2007 - December 2007)', 'Volume 15 - 2 Issues (June 2006 - September 2006)', 'Volume 14 - 2 Issues (June 2005 - December 2005)', 'Volume 13 - 2 Issues (June 2004 - December 2004)', and 'Volume 12 - 2 Issues (June 2003 - December 2003)'.
