FSSAI's Food Safety Training and Certification (FoSTaC) Program with SEA

Venue & date : 22nd July 2017 : Envirocare Labs Pvt Ltd - A7 Enviro House MIDC
Main Road Wagle Industrial Estate, Thane 400604, MS, INDIA

We are pleased to inform that FSSAI has recently launched Food Safety Training and Certification (FoSTaC) initiative and Association of Food Scientists and Technologists India (AFST) has been selected as one of the training Partners.

We are very happy to communicate to you that AFST(I) with FSSAI is conducting first National Level Advance "Train the Trainer" (TOT) Program for General Manufacturing on Saturday 22nd July at Evercare Lab Thane. The Training is supported by M/s Envirocare labs and Ms/ Safe food solutions. Detailed training program attached.

The objective of the program is to help capacity development initiative of FSSAI and the qualified trainers will further disseminate learnings through supervisory training program all across India.

Details of the Course

Duration : One day – 8 hrs.

Reading Material : General Manufacturing FSMS Manual and Presentation

The Maximum Seats for this Training Program is 25.

Evaluation : Post training each participant will be evaluated on three parameters

- 1) Assessment during session by trainer – 25%

- 2) Written objective and subjective type exam (30 min) – 50%
- 3) Individual presentation -25%
- 4) Minimum Passing marks : 70%

All successful participants would be qualified as Trainer under FSSAI- Fostac and can impart training to others
