

# INDIA FOOD SAFETY SUMMIT & AWARDS 2018

ORGANIZED BY  
**SYNNEX**

[www.synnexgroup.com](http://www.synnexgroup.com)

**6<sup>th</sup> - 7<sup>th</sup> DECEMBER 2018**

THE WESTIN, GURUGRAM, INDIA

**ENSURING SAFETY FROM  
FARM TO FORK**

## INDUSTRY OVERVIEW

India's food and grocery market is expected to touch USD 482 billion by 2020. India's food industry stands at USD 39.71 billion. It is expected to grow at a Compounded Annual Growth Rate (CAGR) of 11% to USD 65.4 billion by 2018. Indian food and grocery market is the 6th largest in the world with retail contributing 70% sales. Indian food processing industry accounts for 32% of the country's total food market, it is ranked 5th in terms of production, consumption, export and expected growth.

Indian food processing industry contributes around 14% of manufacturing Gross Domestic Product (GDP), 13% of India's exports and 6% of total industrial investment. The adoption of food safety and quality assurance mechanisms, such as Total Quality Management (TQM), including ISO 9000, ISO 22000, Hazard Analysis and Critical Control Points (HACCP), Good Manufacturing Practices (GMP) and Good Hygienic Practices (GHP) by food processing industry offers several benefits.

India Food Safety Summit & Awards 2018 is the only International, one of its kind summit in India, which will bring the entire ecosystem of the Food Safety and Food Processing industry of F&B manufacturers, regulators, analytical services and testing companies, consultants etc in one global platform to network, gain insight, share knowledge and discuss the best practices in food quality and safety systems with FSSAI's instrumentation standards and changes.

## EXHIBITION, MEETING AND PROMOTION OPPORTUNITIES

Sponsoring or exhibiting at "India Food Safety Summit and Awards 2018" is an excellent way to promote your business to a highly targeted group of key decision makers with a specific interest in the food, dairy, & beverage industry in India.

## WHY YOU SHOULD SPONSOR?

### GENERATE SALES LEADS

As only the top level decision makers attend our global conferences, network with them in a collaborative environment over One to One meetings by showcasing your products and services by exhibiting, product presentation or participating in the programme

### UNIQUE POSITIONING OF YOUR COMPANY'S BRAND

Showcasing your organisation at a leading industry conference like ours, establishes your brand value to your prospective clients or existing clientele

### LAUNCH / UNVEIL NEW PRODUCTS OR SERVICES

Leverage our global platform as a Launchpad to focus attention to your product and brand

### PENETRATE NEW MARKETS

Exhibiting, showcasing and displaying is one of the most cost – time effective ways of opening up a window to window segment and section of buyers

### ENHANCE CUSTOMER LOYALTY

One to one and face to face business sessions at Conferences shows continued support of market and helps develop customer loyalty and cements your position as a key market leader

### FOSTERING NEW BUSINESS PARTNERSHIPS

Focus and target your business prospects in a positive and collaborative environment, where they welcome new ideas. Our attendees are always keen for exciting new partnership opportunities. Our Conference platforms offer you the ideal opportunity to make new contact and future businesses

## SOME OF OUR KEY EXPERT SPEAKERS

**VIJAY SETIA**  
President  
All India Rice Exporters  
Association

**Ashish Bahuguna**  
Chairperson  
FSSAI

**Ashwin Bhandri**  
CEO  
Equinox Labs

**Atul Joshi**  
CGM-Quality  
Patanjali Ayurved Ltd

**Dr. Bency A Kathayat**  
Head - R&D  
Amul

**Dr. Hari Shankar Gupta**  
Head - Quality  
Delhi Milk Scheme

**Dr. Neerja Hajela**  
GM - Science &  
Regulatory  
Yakult Danone India

**Dr. Nepal Singh**  
VP - R&D, QA  
Haldiram's Food Pvt  
Ltd

**Dr. Nilesh Amritkar**  
CEO  
Envirocare Labs

**Naresh Goyal**  
Principal Scientist  
National Dairy  
Research Institute

**Nimish Shah**  
Director - R&D  
Hindustan Unilever

**V Manikavasagam**  
VP  
Dindigul Farm Products

**Rajeev Prasher**  
Head Quality - Botling  
Coca Cola

**Rajendra Dobriyal**  
Director - Regulatory  
Affairs  
Hindustan Unilever

**Dr. Latha Sabhiki**  
Sr. Scientist  
National Dairy  
Research Institute

**Sudhir Nema**  
VP - R&D  
Britannia

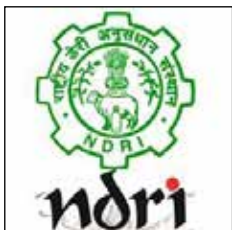

**Nirmala Shahapurkar**  
Head- Corporate  
Quality, South Asia  
Nestle India Ltd

**Pradip Chakraborty**  
Former Director  
Food Safety and  
Standards Authority  
of India &  
Sr Advisor  
Centre for Public  
Health & Food Safety

## PARTICIPATING COMPANIES

AGENDA • 6<sup>TH</sup> DECEMBER 2018

08:30 - 09:00AM

• Registrations

09:00 - 09:05 AM

• Opening by SYNnex GROUP

09:10 - 09:40AM

• Key Note Address 

- Key Note Address – Regulatory and policy Initiatives by FSSAI to improve the food safety & quality standards in India

09:45 - 09:55AM

• Welcome Address by Presenting Sponsor 

10:00 - 10:45AM

• Panel 1 : Customer Service Excellence :What does the consumer of today really want? 

- Food safety comes first for consumers
- Use only permitted additives, pesticides for maintain safety standards for consumers
- Price (Affordability) vis a vis quality and safety
- Convenience – variety through safety aspects
- Consumer awareness on food safety norms and food safety management process

10:50 - 11:10AM

• Corporate Presentation 

11:15 - 11:35AM

• Networking Breakfast and Speed Meetings

11:40 - 12.25PM

• Panel 2 – Challenges faced in maintaining safety & quality through Packaging 

- Implementing the Innovations in packaging to ensure optimal quality and safety
- Latest packaging trends and techniques in enhancing shelf life of products and reduce damages
- Farm to fork: what role does the packaging play?
- Packaging technologies to preserve nutritional content while maintaining optimal quality and safety
- New trends in packaging – Organic and Bio packaging

12:30 - 12.50 PM

• Corporate Presentation 

12:55 - 01.50 PM

• Networking Lunch and Speed Meetings

01:55 - 02.50PM

• Panel 3 - HACCP: Hazard Analysis and Critical Control Points (HACCP) and microbiological hazards assessments and techniques 

- Implementation of the latest techniques in HACCP , HARPC to improve quality and safety
- Innovation in technology to achieve an effective HACCP management system
- Challenges in achieving an effective HACCP management system and the mitigation of the same
- HACCP vs HARPC
- Integrating HARPC regulations with the existing HACCP. Challenges and opportunities.
- How food companies can modify their existing HACCP plans into a more robust overall Food Safety Plan

AGENDA • 6<sup>TH</sup> DECEMBER 2018

02:50 – 03:10PM

Corporate Presentation 

11:40 – 12.25PM

Panel – 4 -Food Safety and Quality in Dairy and associated Dairy Products 

- How to achieve and maintain the stringent safety standards in milk and milk products, while being cost effective and sustainable
- What international best practices are being adopted in India for milk and milk products safety and quality?
- What can we learn and adapt from International best practices?
- Challenges and roadblocks in implementing optimum safety and quality measures and the solutions for them
- What are the latest technologies that are being implemented in improving and achieving best safety and quality standards, and how cost effective and sustainable are they?
- Panel take home advice.

04.00 – 04:20PM

Networking High Tea and Speed Meetings

04:25 – 5:05 PM

Panel 5: CTO Panel: Technology Innovation in ensuring food safety and quality 

- Increasing investment in technology domain to improve profitable for all stakeholders
- Offering a safer and quality driven consumer experience through the use of technology
- Technology in aiding , guiding and maintain a stringent safety and quality framework
- Role of technology in mitigating hazards , damage and risks
- How technology advances can revolutionise the food safety industry

05:10PM

Closing Address &amp; END of Day 1 of India Food Safety Summit &amp; Awards 2018

AGENDA • 7<sup>TH</sup> DECEMBER 2018

08: 30 - 09:00AM

Registrations

09:00 - 09:25 AM

Session: Global Food Regulatory Compliance – Food Safety Management

09:25 – 10:10 AM

Panel 6: Food Safety and Quality Assurance in Nutritional Food and Food products. 

- Implementing the best practices in maintaining optimal safety and quality in nutritional foods
- Innovation in safety technologies to maintain quality and preserve the nutritional quotient
- Role of innovation and best practices in packaging in nutritional foods
- Farm to fork : Ensuring safety and quality control throughout the entire food process cycle

10:15 – 10:35 AM

Corporate Presentation 

10:40 – 11:10 AM

Networking Breakfast &amp; Speed Meetings

AGENDA • 7<sup>TH</sup> DECEMBER 2018

11:15 - 12:00PM

Panel 7 – Developing and Maintaining Food Safety Capacity Building 

- Collaboration between regulators & organizations for food safety capacity building
- Review and analyse existing capacity of the core components
- Define the desired future of the core components
- Identify capacity gaps and needs Strategy for building capacity

12:05 - 12:25PM

Corporate Presentation 

12:30 - 01:30PM

## Networking Lunch &amp; Speed Meetings

01:35 - 02:20PM
