We're excited to invite you to the upcoming Centric F&B Conclave for CXOs, hosted by Centric Software in association with **AFSTI (Association of Food Scientists & Technologists India)**. The theme for this event is - ***Transforming the Indian Food & Beverage Industry with Integrated Product Data***

Join fellow industry leaders to discover how integrated product lifecycle data can transform the Indian F&B sector—from formulation and supply chain to compliance and commercialisation.

Key Benefits You'll Explore:

- Streamline conceptualisation and design with real-time market insights
- Accelerate safe and efficient product development with recipe & BOM management
- Build an intelligent, traceable supply chain for food safety and compliance
- Navigate sustainability goals and regulatory requirements with agility
- Unify teams, data, and workflows on a single digital platform

Centric Software empowers F&B manufacturers, brands, and suppliers to:

- Innovate faster
- Reduce risks
- Make smarter, data-driven decisions

Seats are limited—register now to reserve your spot and join a community of CXOs driving the future of F&B in India.

We look forward to welcoming you for an insightful evening of learning, collaboration, and networking.
